* Fine tuning reset to 0.

R—Menu Reset 136

Custom Settings can be reset to default values by selecting **Reset** for Custom Setting **R (Menu reset)**.

The HELP Button

To view help on Custom Settings, press the **?** (HELP) button when an item is highlighted in the CSM menu or when the options for a Custom Setting are displayed.

Custom Setting R: Menu Reset

To restore Custom Settings to default values, highlight **Menu reset** in the CSM menu (**?** 135) and press the multi selector to the right. Press the multi selector up or down to highlight an option, then press to the right to make a selection.

Option	Description
No (default)	Exit menu, leaving settings unchanged.
Reset	Restore settings to default values.

Two-Button Reset

Custom Settings are not reset when a two-button reset is performed (**?** 111).
